## Summary

Driven **Full Stack Developer** with a background in sales and customer service and a Full-Stack Certificate from the Southern Methodist University in Dallas, TX. During the intensive boot camp, I worked on multiple group projects honing skills in Node.js, Express, Handlebars, SQL, JavaScript, MongoDB, React, CSS, and HTML. I recently collaborated with a team of 4 to build an application from start to finish and was able to demo it to a group of industry professionals with positive reviews. I enjoy collaborating and working on a diverse team while solving problems in high-stress environments. An articulate individual who enjoys connecting with co-workers and is passionate about building applications that assist everyday people to make their lives easier. Looking to bring my knowledge, communication, and technical skills adding value to an organization while focusing on continuous learning and engaging in my community to give back in the field of web development.

## Experience

### **Junior Full-Stack Web Developer** | Southern Methodist University Coding Bootcamp | 01/2020 - Current

- Worked with different languages: HTML, CSS, and JAVASCRIPT.
- Applications used MySQL, GitHub, Workbench, Robo3T, and Insomnia.
- Essential tools used in projects as Bootstrap, Node, Express, Sequelize, MongoDB.
- Self-paced Programming with Mosh on JavaScript.
- Created different projects and helped me apprehend new skills, techniques, and many concepts.

### **Sale Specialist** | Self-employed - Dallas, TX | 05/2017 - 12/2020

- Dallas Tx.
- I was a car salesperson.
- I had the advantage of having a dealer license to access purchasing vehicles at wholesale dealer prices.
- I created a small network of customers that I kept happy providing excellent communication and service.

### **Special Education Assistant** | Otto Middle School | 08/2016 - 04/2017

- Assists Special Education students in study labs, complete homework assignments, and prepare them for tests.

- Provides small group and tutorial instruction and supervision as directed.
- Provides preventative and follow-up behavior management to students exhibiting disruptive behaviors and documents these situations.
- Communicates effectively with staff, students, and/or parents regarding needs and concerns.
- Assists in preparation of materials needed for classrooms, including duplication, lamination, etc.
- Assists in and around the school with recess/lunch/bus duty and general assistance in hallways and classrooms.
- Attends staff meetings and trainings as needed.
- Takes notes for students and monitor while in test.
- Participate in professional development as directed.
- Attend and participate in parent/teacher conferences as directed.

**Math Tutor** | Bowman Middle School 6th grade - Plano, TX | 08/2015 - 11/2015

- Frankford Middle School 8th & 6th.

**Electronics Technician** | Service Electronic - Carrollton, TX | 06/2001 - 05/2003

- Performs basic hardware troubleshooting.
- Performed hardware and peripheral equipment maintenance.
- Improvements, upgrades, and repairs.

---
